Dear Scott:

I tender my resignation as Chairperson for Town of Wheaton Board of Supervisors.

**Effective 08/14/2023.**

My health and personal responsibilities make me unable to give the necessary time and energy to be the Chairperson the Town of Wheaton needs.

If wanted, I will help the town board to the best of my ability. I am grateful for having had the opportunity to serve on the Town of Wheaton board and to have worked with the great people of Wheaton, board members, employees and commission members over the last 3 years.

Sincerely,

A handwritten signature in cursive script that reads "Steve Harmon".
