

General Roundabout Information

Roundabout Benefits

Fewer severe crashes than signalized intersections

Improved traffic flow

Less fuel emissions

Reduced speeds

Accommodate larger vehicles

Lower vehicle speeds and shorter crossing can be safer for pedestrians

Navigating Roundabouts

Reduce your speed

Watch for traffic signs and pavement markings

Yield to pedestrians and traffic from left

Stay in your lane until you exit roundabout

General Roundabout Information

Left turns/u-turns: use left lane

- When approaching the roundabout, use the left lane, or other lanes that are signed and marked as a left turn lane.
- Yield to pedestrians in the crosswalk.
- Yield to all traffic on your left before entering the roundabout.
- Enter the roundabout when there is a safe gap in traffic.
- Stay in your lane.
- Use your right turn signal to exit the roundabout.
- Yield to pedestrians in the crosswalk at the exit.

Going straight: use right lane or left lane

- When approaching the roundabout, choose the correct lane for your desired exit.
- Yield to pedestrians in the crosswalk.
- Yield to all traffic on your left before entering the roundabout.
- Enter the roundabout when there is a safe gap in traffic.
- Stay in your lane.
- Use your right turn signal to exit the roundabout.
- Yield to pedestrians in the crosswalk at the exit.

Right turns: use right lane

- When approaching the roundabout, use the right lane, or other lanes that are signed and marked as a right turn lane.
- Yield to pedestrians in the crosswalk.
- Yield to all traffic on your left before entering the roundabout.
- Enter the roundabout when there is a safe gap in traffic.
- Stay in your lane.
- Use your right turn signal to exit the roundabout.
- Yield to pedestrians in the crosswalk at the exit.

Large vehicles

- Large vehicles need more space in a roundabout.
- All drivers should be cautious and avoid driving next to or passing large trucks while approaching and maneuvering through a roundabout.
- A truck apron is a paved area inside a roundabout.
- It is for the rear wheels of large trucks to use when turning.
- Trucks may cross into other lanes or onto the truck apron.
- Truck aprons are not to be used by cars, SUVs or pickup trucks.

Always obey the signs and markings

As you get closer to the roundabout entrance, it is very important to observe the signs and arrows to determine which lane to use before entering a roundabout. Signs above the road and white arrows on the road will show the correct lane to use.

Roundabout ahead, slow down.

Guide signs near the entry to a roundabout show lane designations.

Yield to all traffic in the roundabout.

Roundabout traffic travels one-way.
